

In support of

HeForShe

UN Women Solidarity Movement
for Gender Equality

I'm happy to support the HeforShe campaign, as I'm bewildered and saddened that such a campaign still needs to exist in the modern world. Women have always contributed equally, at the very least, to NZ society, whether it be in the highest corridors of power or the smallest homes, and it is really very simple - they should be paid the same, treated the same and respected the same as men.
